through the lives of raj and reema a newly married couple trying to balance love duty and
family expectations this book shows the hidden truths of indian marriages their story begins
with joy rituals and dreams but once the celebrations end real life slowly brings quiet changes
the smiles fade into silence and the happiness turns into small sacrifices that no one talks about
each chapter shows how many couples live like this together yet emotionally distant using
real stories research and honest reflections the book talks about the unseen loneliness in
marriage the pressure on women to adjust and the roles that society forces on both partners it
also reminds us that silence is not always peace and compromise is not always love many
people stay in marriages that look happy from the outside but feel empty inside still there is
hope through reema s journey of self discovery the book shows that awareness
communication and self respect can bring back balance and real connection in the end
together yet alone asks one simple but powerful question can two people truly stay together
if they forget who they really are

in india about 123 000 people take their own lives each year the second highest total in the
world there is a suicide death in india almost every 4 minutes and it is the leading cause of
death for rural indians especially women in early adulthood this book presents a
comprehensive analysis of suicide in india based on original research as well as existing studies
and looks at the issue in an international sociological and historical context the author looks at
the reliability of suicide data in india and goes on to discuss various factors relating to suicide
including age gender education and marriage among its findings the book exposes a hidden
youth suicide crisis in india which is argued to be far more serious than the better known
crisis of farmer suicides the book dispels many myths that are commonly associated with
suicide and highlights a neglected public health problem suicide in the region of pondicherry

is looked at in detail as well as in the indian diaspora this book is a useful contribution to south asian studies as well as studies in mental health and sociology

love and carlson lift the veil on the subject of loneliness and offer an approach that breaks through isolation and loneliness and puts readers on a path to true happiness

this book explores the attitudes anxieties and aspirations of india s burgeoning young population in a globalised world drawing upon time series survey data of the indian youth aged between 15 and 34 years across 19 indian states it provides key insights into a range of themes along with an overview of the changing trends and patterns of their behaviour the volume examines the job preferences of the indian youth their career priorities and opinions on reservations in employment and education sectors it measures their degree of political participation and studies their attitude regarding political issues it looks at aspects relating to their social and cultural contexts preferences and practices including lifestyle choices consumption habits and social customs such as marriage as they negotiate between tradition and modernity further it discusses the anxieties and insecurities that the youth face their mental health and their experiences of social discrimination the essays here offer an understanding of a critical demographic and shed light on the challenges and opportunities that the indian youth confront today lucid accessible and empirically grounded this volume will be useful to scholars and researchers of sociology political sociology political studies youth psychology and anthropology as well as policymakers journalists and the interested general reader

provides an overview of food in india discussing ingredients eating customs regional differences and foods for special occasions

this advocacy brief jointly published by who un desa itu and un women aims to raise awareness of social isolation and loneliness within the wider un system among policy makers and all relevant stakeholders it provides an overview of what is known about and solutions for these issues identifies policy opportunities to address them and outlines a strategy for the un decade of healthy ageing 2021 2030 to address social isolation and loneliness among older people

one of the most common and uninviting emotions a person can feel is loneliness it is a feeling that anyone can feel at any point in life

the book examines various aspects of women empowerment in south asia particularly in india

the term empowerment refers to women's liberation from social economic restraints of reliance women worldwide actively work as leaders and establish new dimensions in all fields yet in india although women comprise around 50 of india's population most stay economically dependent and in most indian villages and towns women are still denied fundamental education after more than 75 years of independence as a country we need to take a long overdue in depth look at empowering women in india and how women empowerment should be a powerful tool for national development this book aims to discuss the empowerment of women through examining the social and personal challenges faced by women as well as evaluating areas such as gender discrimination education opportunity and employment opportunity
